

# Partner Organizations

The following are Catholic-based but independent organizations that work hand-in-hand with our parish. St. Patrick's Church supports them as much as possible by providing facilities for meetings and storage and spiritual assistance; the organizations support the parish through volunteer work, donations, their presence and their prayers.

The Order is still true to its founding principles of charity, unity and fraternity. Council 1375 is very present and active at St. Patrick's Church, assisting in its many activities and supporting the clergy in their Christian mission.
